

## Tentative PMP Schedule, Autumn 08 - Summer 09

<u>Autumn 08</u>	<u>Winter 09</u>	<u>Spring 09</u>	<u>Summer 09</u>
587 - Multimedia Compression and Networking	518 - Digital Signal Processing	572 - Electromagnetic Theory and Applications I	Special Topic - TBD
586 - Digital Video Coding Systems	565 - Computer-Communication Networks I	506 - Communication Theory I	
500 - Seminar	500 - Seminar	500 - Seminar	500 - Seminar

### **PMP Subject Areas:**

Electromagnetics (EM)

Wireless Communications (COMM)

Signal, Image, and Video Processing (SIP)

Controls

MEMS

Seminar

### **NOTES:**

*Courses in Controls and MEMS are scheduled to be offered in 2009-2010.*

*Last edited: April 21, 2008.*

*Courses can change.*

*Always contact the PMP Advisor for the most up to date course schedule.*
